CHURCH EXTENSION.

To the Bishop and Members of the Southwest Missouri Conference:

Dear Brothers:—Your Board of Church Extension beg leave to submit the following report:

In response to the request of our General Secretary the Executive Committee of this Board at its annual meeting in March, 1919, appointed Rev. Geo. J. Warren to attend the meeting of the General Board the following May in Louisville, Ky.

Realizing the exceeding great importance of our Church Extension movement we earnestly beg a place for a representative on the program of every District Conference in order that a larger proportion of our Southern Methodist constituency may be better informed as to what Church Extension means.

We are gratified to note that the work of the Board of Church Extension has continued with uninterrupted progress. This is indicated by the fact that the total income from all sources for the past year was \$144,296.85 in excess of the preceding year.

The following item is taken from the annual report of the General Secretary to this Board. "The outlook for the future is most encouraging. The Centenary funds during the next five years ought to increase the income of the Board at least two million dollars. One-half of this amount will be added to the loan fund, and the other half according to instructions from the General Conference, must be expended in building churches in the foreign field and in the United States." The Southwest Missouri Conference paid this year on an assessment of \$6,945.00 the sum of \$4,899, an increase of \$238.00 over the preceding year. The assessment for the ensuing year is \$6,945.00.

AMERICAN BIBLE SOCIETY.

We hereby submit the following report of the American Bible Society:

The Treasurer's report will show that we have collected for the American Bible Society this year \$758.55 as compared with \$812.91 collected last year. This decrease is due to the fact that last year each pastor took a separate collection for this purpose, while this year 3% of the connectional funds were set aside for this splendid work.

We note with gratification the efficient work of the American Bible Society in supplying Bibles to the soldiers and sailors during the great crisis through which we have just passed.

We desire to emphasize the need of the Word of God in these days of reconstruction as containing the fundamental principles upon which the new civilization must build.

We, therefore, commend the work of this Society in the translating of the Bible into the languages of the nations of the world, and its wide distribution.

We pledge ourselves to the continued support of this worthy organization.

M. C. MAJORS, Chairman.

E. I. AILOR, Secretary.

REPORT OF THE EPWORTH LEAGUE BOARD.

The Epworth League Board is the representative of one of the most important departments of our church and is responsible for such a presentation of the interests and needs as that it may receive full justice at the hands of the Conference.

In this crucial time of church-wide and world-wide awakening regarding the stewardship of property and prayer it is only fair to the League that we call attention to the fact that through the years it has been the diligent promoter of these ideals and that it finds nothing new or strange in the centenary program which has been outlined for the church.

Consequently, we feel it to be our first duty and our highest privilege to place the League and the young people of the church squarely behind the intercessory, stewardship and evangelistic program of the church and to assure all of our leaders of the enthusiastic, intelligent and fruitful response to every reasonable demand made of them.

The Epworth Leagues of the Southwest Missouri Conference stand pledged to pay the sum of \$14,500.00 to the Centenary fund, and during the year just closed have paid more than \$2,500.00 to missions and as much more to other objects. This is in addition to the pledges of individuals, the amount of which we cannot well determine.

In view of the responsiveness and capacity of the League, as well as its legal right to ask for consideration at the hands of the Annual Conference, we feel justified in making the following recommendations and requests:

1. That the presiding elders be urged to zealously promote the District Epworth League organizations and that by private counsel and official authority they lend themselves to the work until each district shall have had full opportunity to realize the possibilities involved in such organization.

2. That all pastors be urged to promote the cause of the Epworth League and that they enter seriously into our goal of an Epworth League in every charge.

3. That the anniversary day or young people's day program be observed by all chapters, giving special attention to the free-will offering required by the law of the church, since the revenue provided by this offering is so urgently needed.

4. That the State Epworth League organization and assembly be favorably recognized and intensely promoted throughout our bounds and that this Conference recognize the importance of lending financial as-

sistance to it. This Board recommends that not less than \$300.00 be included in the conference budget to be directed by the Epworth League Board in the promotion of the State Assembly.

5. That in view of the growing importance of the League Annual Conference and Assembly; and also in view of the fact that this Conference is dependent upon commercially interested private individuals for its annual place of meeting; and further, since the owning of such a meeting place by the church is reasonably possible and offers many advantages readily apparent; it is therefore recommended that the Epworth League Board be authorized to investigate locations, costs and other considerations involved in securing intelligent information regarding a Conference Assembly Ground, hoping to be prepared to report to the next session of this body with recommendations concerning action of a definite character.

6. We desire to call the attention of all pastors and centenary directors to the fact that the original plan for the organization of the Local Church Cabinet omits the name of the Epworth League president, whereas this oversight has been corrected and in the perfected plan the Epworth League President is included.

7. We appreciate the opportunity to make the above suggestions and believe them all to be in accord with the spirit of our church and in harmony with the ideals of Christianity.

H. J. RAND, Secretary.

H. U. CAMPBELL, President.

BOARD OF MISSIONS.

Dear Brethren of the Conference:

We present to you our annual report with great joy, and with sincere thanksgiving to God.

The last three years, as indicated by the figures of our Missionary statistics, have been years of increasing Missionary activity and success. Our great Centenary Campaign rises to proportions, which no church ever before anticipated and yet our Church surpassed in actual results anything which was contemplated in our most extensive plans.

But our success is not an occasion for boasting, but for humble gratitude to God for his leadership in this era of world need. May we be wise to see in our success our splendid opportunity and with this opportunity our great responsibility.

The report of the Conference Missionary Secretary shows that the Conference raised in the Centenary Campaign a total of \$764,154.32, and that there were 14,390 individual subscribers in the eight-day drive.

Your board urges the pastors and laymen to co-operate fully with our Missionary Secretary in carrying out the "Standard Plan for the Conservation Period of the Missionary Centenary." We call especial attention to two

phases of this plan: (1) That the "family altar league" be established in every charge. (2) That the stewardship and tithing campaign be carried forward to success in every congregation.

The pastors of churches in the territory, both city and rural, where surveys to determine the actual social, educational and religious status are to be made, will be expected to give the fullest co-operation with our Conference Missionary Secretary and the special workers of our General Board of Missions.

This Board has provided for the employment of a Conference Missionary Secretary for the ensuing year, has fixed the salary at \$2400 and traveling expenses of \$600. We nominate Rev. W. G. Beasley for appointment to this position.

We nominate Rev. J. B. Sweeney, Rev. U. V. Wyatt and Mr. Sim Beam as members of the Annual Conference Committee on Evangelism.

SUNDAY SCHOOL BOARD.

To the Bishop and Members of the Southwest Missouri Annual Conference of the Methodist Episcopal Church, South:

Brethren:

We your Sunday School Board submit the following report: During the past year there has been an alarming decrease in the number of Sunday school scholars. The enrollment has fallen from 32,184 to 24,570. We find in place of the 288 schools reported last year only 247 were reported this year. But in the face of these things we find that our schools have doubled their offering for missions and that 60% of the addition on profession of faith have come from our schools.

We your Board urge that we conduct a Sunday school membership campaign as soon as plans can be made.

The General Board has fixed the last Sunday in December as the date for our annual Missionary Day and it should be observed in every school.

We suggest that there be intitates held in every presiding elder's district and we ask that the presiding elders give our work a place on the program of their District Conference.

We urge the observance of Sunday School Day in every school. The Board will supply the programs, but we ask that no school ask for more than twenty copies for each 100 members of their school.

Our Treasurer gives the following report:

REPORT OF THE BOARD OF EDUCATION.

Your Board of Education begs leave to submit the following report:

We have carefully considered the reports coming from the institutions of learning under our care and the following are our findings in their several cases:

Southern Methodist University.

We note with great satisfaction the splendid progress already made by this institution and the bright prospects for its future growth and usefulness. We need the Christian University as truly as we need the Christian college; and we are looking forward to the good day when Southern Methodist University will have sufficient endowment and equipment to become a real university and thus exercise a commanding influence in the educational world and especially in our territory west of the Mississippi. We commend the Theological Department and the Correspondence School to our young preachers. We desire also to call the attention of all our undergraduates to the fact that they are required by the law of the Church to pursue their studies under the direction of the Correspondence School. The Conference Board of Education will pay one-half the tuition fees in the Correspondence School upon recommendation of the Presiding Elders. We also commend the Preacher's Summer Assembly at Dallas to all our preachers and the Western Training School for Sunday School Teachers to all who are concerned with this vital phase of our work.

Central College.

The report of President Linn shows that this institution is in a flourishing condition and enjoys an enviable reputation for scholarly work. It has a present endowment of about \$530,000.00, and the enrollment this year promises to be the largest in its history. We are pleased to note that the atmosphere of the college is distinctly religious and that within the past year a goodly number surrendered themselves for special Christian service. Notwithstanding the increased endowment the salaries of the professors are wholly inadequate, ranging from \$1200 to \$1600. We therefore urge Dr. Linn to take any steps he may think proper to secure from the General Education Board a conditional gift based upon an increase of \$500,000.00 in the endowment of Central College.

Central College for Women.

President Williams reports that all available room will be occupied by students at this splendid institution this year. Its fine record in the past half century, together with its enlarged plans for the near future, give promise of increasing usefulness in the coming years. We approve the askings of this institution of the Educational Commission, which amount to \$625,000.00.

Scarritt-Morrisville College.

This institution has asked for and obtained classification as a Mountain Mission Training School and has adopted the Standard Course for Secondary Schools as the basis of its work. It has good buildings, a productive endowment of some \$20,000, and is free of debt. The school will not be in operation this year, and President Norton will devote his time to an active campaign for students for the coming year. We believe that this school, under wise management according to the new plan, may become an important factor in our educational work in this State.

Scarritt Bible and Training School.

While this school is not under the supervision of our Board, yet it is located within the bounds of our Conference and we deem it proper to make mention of it in our report. We are more than pleased to note the great progress this institution is making under the presidency of Dr. Ed. F. Cook. Thoroughly alive to the demand of the new day, Dr. Cook is placing this school in the front rank of institutions of a similar character in the United States.

Work at the State University.

We heartily endorse the plans of the Commission in charge of religious work at the State University looking toward the establishment of an adequate plant at Columbia and recommend that this Conference hereby request the Educational Commission to appropriate the full amount of the askings from the fund to be raised in the approaching educational drive, for

the purpose of erecting a church, Sunday school and social center building, and assist in erecting a woman's dormitory at that place. ✕

We understand from the report of the General Board of Education that a great plan is to be unfolded soon which if carried out will solve many of the educational problems of our church. This plan we heartily endorse and we pledge the educational forces of this Conference to the approaching evangelistic program, which we regard as vital to all the interests of the church.

We recommend the following appropriations:

Scarritt-Morrisville	\$ 750.00
Central College, Fayette.....	1,000.00
Central College for Women.....	750.00
Religious work, Columbia.....	600.00
Expense of Board.....	200.00

We recommend that the General Board of Education appropriate \$1,500 to Scarritt-Morrisville College.

The following are recommended for appointment as Curators:

Scarritt-Morrisville—Mrs. V. C. Whitfield, Miss Annie Johnson, Chas. J. Wilkins, J. J. Orten, W. J. Ross.

Central College, Fayette—Chas. W. Wagoner (elected for three years), W. C. Scarritt, J. T. Pritchett.

Central College for Women—L. D. Murrell, Z. M. Williams.

We recommend the appointment of Dr. Ed. F. Cook as President of Scarritt Bible and Training School, and of King Vivion as student in Southern Methodist University, and of W. E. Sullens as student in Yale University.

We recommend the appointment of Dr. A. L. Scales as Conference Secretary of Education.

We recommend the appointment of Dr. Z. M. Williams as President of Central College for Women.

We recommend the appointment of C. W. Barnhill as Conference Centenary Treasurer.

Respectfully submitted,

A. L. SCALES, President.

G. L. COFFMAN, Secretary.

BOOKS AND PERIODICALS.

Dear Brethren:

Your Committee on Books and Periodicals and your Board of Christian Literature, jointly beg leave to submit the following report:

Sunday School Literature.

We believe that our own Sunday School literature is equal to the best and superior to some that is being used in some of our Sunday Schools. Therefore, we heartily recommend that all our schools use our literature.

Further, that where it is at all practicable, that we use our graded literature and organize a Teacher Training Class for the training of our teachers in the use of this graded literature.

Missionary Voice.

In this time of special missionary interest, we urge that our pastors and people take more interest in the reading and circulation of the Missionary Voice.

Epworth Era.

The Epworth Era, being a splendid periodical especially published for our young people, we recommend that we make the largest possible use of it.

Christian Advocate.

Our church being connectional and the Nashville Christian Advocate being the only general periodical of its kind and is well deserving and due much consideration at our hands; we, therefore, recommend that we as members of this Conference, if not already subscribers, subscribe for it at once and make some definite effort to increase its circulation.

Methodist Review.

We believe our Methodist Review, under Dr. Frank M. Thomas, is maintaining its high standard. We urge all pastors to rally to its support and avail themselves of the advantage to be gained from the regular reading of its pages.

Books and Tracts.

We, your committee, find that there is a great need of deepening the spiritual condition of our church. We believe that one way of doing this is the reading of good Christian literature. Not only our papers, but books and tracts of a religious nature. We, therefore, urge upon all our people that they read books of deeper moral and spiritual value than they are now reading.

St. Louis Christian Advocate.

The report of our trustees for the St. Louis Christian Advocate was read and accepted by the Board and their faithful work commended. We find by their report that as a result of the effort for the increased circulation of the Advocate, there were 1,091 new subscribers added to their subscription list. This leaving a difference of \$409.00 between the \$1,500.00 that was pledged for its support and the 1,091 subscriptions which were credited to our pledge at the rate of one dollar for each subscriber. We, therefore, recommend that the Conference treasurer be instructed to pay the balance of \$409.00 to the said trustees or their agent.

They also submitted to the Board a plan for increasing the circulation of the said paper. It is as follows: The week beginning the second Sunday in November is hereby declared to be "St. Louis Christian Advocate Week." During said week the presiding elders and pastors are requested to give

as much of their time to increasing the circulation of the Advocate as is necessary to the securing of the quota of new subscribers assigned to each of the churches in their respective districts.

As a part of said work each pastor is requested to organize committees in each congregation to solicit for new subscriptions, renewals of existing subscriptions and the collection of back subscriptions; and, as far as possible, in selecting said committees and arranging their work, to follow the plan of organizing used in the Centenary eight-day drive, including the Minute Speakers, during the month of October.

As a beginning of this Advocate Week we suggest that each pastor present the subject to his congregation, either on the second Sunday in November or on the Sunday closest to it that is most convenient and in such a manner as in his judgment will be most effective in securing new subscribers. We urge the adoption and faithful carrying out of said plan.

Owing to the fact that Mrs. F. N. Peters has moved from the State, there is a vacancy in the Board of Trustees to be filled by the Southwest Missouri Conference. We, therefore, recommend Miss Flora T. Clark, to fill said vacancy.

J. R. SCOTT, Chairman of Books and Periodicals Com.

THOS. B. HARRIS, Acting Chairman Board Christian Lit.

THOS. H. HICKMAN, Secretary.

TEMPERANCE REPORT.

Report of Committee on Temperance and Sabbath Observance.

We rejoice that the long-drawn-out battle for Temperance and Prohibition has finally ended in a great victory, wherein forty-five of the sovereign states of this great nation have ratified the eighteenth amendment to the Federal Constitution. Which forever prohibits the manufacture and sale, transportation, importation and exportation of intoxicating liquors for beverage purposes.

We wish again to pledge our loyalty, support and co-operation to the Anti-Saloon League in carrying out the program as outlined by them; which now embraces world-wide prohibition. We also wish hereby to recommend the re-election of the Board of Trustees of the Missouri Anti-Saloon League as follows: Rev. W. T. McClure and Mr. C. C. Carson.

Also to offer this resolution: 1. This Conference most heartily endorses the work of the Lord's Day Alliance of Missouri; that the churches so far as is agreeable be urged to support it financially, and that the pastors invite the Executive Secretary to present the work of the Alliance in their churches.

2. That the election of Rev. Marvin T. Haw, D. D., presiding elder of the St. Louis District, to the Board of Managers of the Lord's Day Alliance be hereby approved.

L. F. SHOOK, Chairman.

J. D. ROBBINS, Secretary.

REPORT OF COMMITTEE ON EVANGELISM.

It should be cause for profound thanksgiving to God on the part of all Southern Methodists that the leaders of our great Church have planned a systematic and simultaneous CAMPAIGN OF EVANGELISM for the ensuing year in which an effort will be made to mobilize all the forces of our more than eighteen thousand congregations in a united drive for the largest number of conversions and accessions to the church in the entire history of our denomination.

The amazing success of the Centenary Campaign, the sorrow and heartache of a world torn by war, the shameless greed of the profiteer, together with the growing bitterness and resentment of organized labor, the mad rush for gold on the part of a generation of people many of whom have broken away from all moral restraints and in whose thoughts God and religion have no place, the cry of distress that rises from millions of people in the stricken countries of Europe, weary with war, yet filled with suspicion and burning with a desire for revenge—these and a thousand other influences that are abroad in the earth, added to the widespread spiritual dearth of the past year, emphasize the importance of our making the coming year the mightiest in spiritual results our church has ever known.

Methods that have been approved of God in all ages and that have made Methodism the greatest moral and spiritual force in the world will be used. Strong cryings to God for a mighty baptism of faith and Christian zeal will be placed in the forefront of the movement, old fashioned revivals will be held, men called of God to the work of evangelists will be employed, pastoral evangelism will be emphasized, Christian nurture in the home and religious instruction in the Sunday School will be stressed and for the first time in our history a complete survey of the field will be made and followed by a church-wide campaign of individual and personal evangelism in which during the weeks preceding Easter every member of the church will be asked to become an Andrew to find a Peter, a Philip to win a Nathaniel, or an Ananias to convert a Saul.

We gratefully recognize the fact that God has many ways of bearing the gospel message to men and, whether through persuasive tones of gospel song from the lips of trained choir or sweet-voiced soloist, moving appeal of gifted evangelist, earnest sermon of Christian pastor, quiet word of friend spoken in love, or kindly deed unselfishly performed, whether through picture, pageant, or printed page—in whatsoever way Christ is preached, we will rejoice. We are ready to become all things to all men if by any means we may save some.

We hereby express our confidence in the character and competency of the men who have been chosen to lead us in this great battle against spiritual lethargy, world-mindedness and immorality and in a movement whose supreme purpose is the gathering of men, women and children into the Kingdom of God and training them for Christlike service in His organized Church. We recommend that in so far as is practicable our preachers organize their forces and plan their work in harmony with the program of

our General Commission on Evangelism so that from the first week of the new year until Easter Sunday winning souls to Christ and bringing into the active life of the Church all professed Christians not already identified with the organized forces of righteousness in the community may constitute our chief aim and call forth our most heroic endeavors.

We also submit short memoirs for Mrs. T. C. Downs, Mrs. M. M. Pugh, Mrs. O. E. Vivion and Mrs. Bervev Harper, preachers' wives who have died during the year.

REV. THOMAS D. PAYNE.

Thomas DeKalb Payne was born in Simpson County, Kentucky, May 20th, 1839. He was the son of Daniel L. and Mary Payne. Our brother entered into the rest eternal May 22, 1919, from the home of his daughter, Mrs. A. W. Mann, at Oak Grove, Missouri. Brother Payne was converted and united with the Methodist Episcopal Church, South, in 1859. He was licensed to preach by the Quarterly Conference of the Franklin Circuit, Louisville Conference, November 26, 1859. On October 23, 1863, he was ordained Deacon by Bishop H. H. Kavanaugh at the Louisville Conference. He served acceptable as a local preacher until 1869 when he came to Missouri and was received on trial into the St. Louis Conference. At this Conference he was elected to Elder's orders and ordained on September 5th by Bishop G. F. Pierce, in First Church, St. Louis, Mo.

He was a faithful servant of the Church, a good preacher of the Word of God as interpreted by Methodism. Constructive in material things, as well as instructive and helpful in spiritual living. Five church buildings and two parsonages were erected under his administration, and many souls were edified under his ministry. He did good service for the Church as pastor and presiding elder until 1910 when he slipped gracefully into the honorable relation of a superannuated preacher, which he filled with grace to the day of his death.

Rev. T. D. Payne and Miss Eliza B. Rogers were united in marriage May 5, 1867. One son and four daughters, the son died in infancy, the daughters survive him and were all present with him at the time of his death. Brother Payne was a good man in the higher sense of that word. His exposition of Scripture was clear, concise, and in keeping with Methodism. Many were edified and comforted as he, in his quiet, earnest way, told the story of Jesus and His love.

He is gone and we hope to meet him in the better land. His body was laid to rest in the cemetery at Oak Grove, Mo. The funeral was conducted by the pastor, Rev. U. V. Wyatt, assisted by a number of his brethren who came to unite with family and friends to do him honor.

MRS. L. R. DOWNING.

Ellen Louise Roberts was born November 11, 1839, in Pike County, Missouri. She was converted and united with the M. E. Church, South, in early life, and lived true to her vows until the day of her death which occurred at Independence, Mo., in the evening of August 4th, 1919, after a long and painful illness extending over more than thirty years.

Miss Ellen Roberts and the Rev. L. R. Downing were happily married in Clarksville, Mo., by the Rev. B. H. Spencer on the 28th of July, 1859. Of the three children born to them only one son, James B., survive her. For more than forty years she was the cheerful and faithful helpmeet of her itinerant husband, who departed this life sixteen years ago, leaving her to live on in silence and suffering alone. She was true to all the relations of life, heroically met every responsibility, patiently endured her affliction through the long years of her suffering as seeing Him who is invisible. finally yielding to the inevitable, she sank into rest to await the resurrection of the just.

MRS. M. M. PUGH.

On the evening of November 9, 1919, like the close of a beautiful day Sister M. M. Pugh passed from her earthly abode to her home in Heaven. She had spent many years in the home of her daughter, Mrs. J. E. Thomson, in Kansas City, where she died. She was the widow of the late Mason M. Pugh, with whom she had spent a long and useful life in the itinerancy as a member of the Southwest Missouri Conference. Through all these years the life of Sister Pugh was an open book and spoke eloquently of her strong faith and Christian character. She died as she had lived, and sweetly rests from her labors, leaving us to sorrow but not without hope, for we believe that Christ died and rose again and those who sleep in Him will God bring with Him.

MRS. MARY MORRIS VIVION.

Mrs. Mary Morris Vivion, wife of Rev. O. E. Vivion, Booneville, Mo., died at their home in Booneville, December 1st, 1918. She was born in Nevada, Mo., October 10, 1871. She was educated in the Nevada public schools, graduating from the high schools in 1890. She taught in the Nevada public schools twenty-five years. She was married to Rev. O. E. Vivion July 27th, 1915. Her brief married life was one of interrupted happiness, save for the period of her protracted illness, the last four months. but she never complained but often prayed and praised the Lord aloud for his continual goodness to her. She said to her husband a few days before

her departure, "I don't want to die. I would like to live and help you in your work, but I am not a coward; I am not afraid to die."

Mrs. Vivion had won the hearts of the people of Boonville by her devotion to the great work of the Church, by her great tact and skill, in all the delicate duties of a pastor's wife.

Rev. A. R. Faris and W. T. McClure conducted a brief funeral service at the parsonage in Boonville, Monday afternoon, December 2nd, and then went with the family to Nevada, Mo., where the next day public funeral services were held in Centenary Church, in which the pastor, Rev. L. F. Clark, assisted. Notwithstanding the prevalence of influenza there was a great crowd of her friends and former pupils filling the Church.

They buried her by her loved ones in the beautiful Nevada cemetery, beneath a great bank of flowers, to await the Morning of the Resurrection. She leaves to mourn their loss her husband, two step sons, an aged mother, Mrs. Morris, two brothers, Frank and Thos. Morris, and two sisters, Mrs. Logan of Eldorado Springs, and Mrs. Weikel, Sedalia, Mo., and an unnumbered host of friends and loved ones wherever she was known.

A good woman has fallen at her post, like Mary of old, "she did what she could." She has left to her family an imperishable record of love and fidelity to her Lord, and has entered upon her eternal reward. May the Lord graciously comfort all her loved ones.

MRS. THOMAS C. DOWNS.

Rosenia E. Boles, daughter of Rev. Charles and Elizabeth Boles, was born at Shawnee, Kansas, December 27, 1854. Her father was a pioneer preacher and at the time of her birth was a missionary to the Indians. Her birth occurred in the same year the Indian Mission Conference was organized. She spent her entire life within the bounds of that territory. Rosenia Boles gave her heart to God in childhood, she grew up to love and serve Christ and the Church. She was a real missionary and shared very happily the experiences of the pioneer with her parents, loving God and this simple, plain people, the Indians, with all her heart.

On the 1st of October, 1873, she was united in marriage with the Rev. Thomas C. Downs, an able young minister of the M. E. Church, South, and a prominent member of the Western Conference, with whom she spent nearly forty years of ardent, faithful and useful service. She would often take long journeys overland with her husband to meet his appointments as Presiding Elder of a District covering a third of the State of Kansas. She was ever his cheerful and helpful companion, and many are the homes of the Western prairies which they have cheered by their presence and comforted with their counsel and blessed with their prayers of these good people. She really shared the joys and sorrows in the itinerant of her husband, until 1904, when he left her for Heaven, to journey on with her daughter, Roberta, now Mrs. Thomas Alexander of Wichita, Kansas, at whose home she died on the 3rd of October, 1918. Her last illness was long and severe, but with Christian fortitude she bore it, until the mes-

sage came to come up higher. The weary body now rests beside her husband in the cemetery at Olathe, Kansas. Bishop Hendrix, a life long friend of the family and a number of the preachers participated in the funeral services.

MRS. L. S. BEWLEY HARPER.

Louise Rader, daughter of the late Rev. A. M. and Isabella Rader, was born September 16th, 1848, in Johnson County, Missouri; died in Kansas City, Missouri, August 3rd, 1919. Her first marriage was with the late Wm. M. Bewley in 1868, with whom she lived and labored for thirty years. In 1888 he left his earthly home for that heavenly home that awaits the faithful servants of God.

She was married to Joseph Harper of Montserratt, Mo., who lived less than one year.

Being born in a Methodist home, the daughter of a Methodist minister and the wife of an itinerant preacher, the sister of noble brothers, she possessed and sustained those qualifications in Christian character which gave her success in life. She was a great sufferer through many months, all of which she bore with Christian fortitude and died triumphantly in the faith of our Savior.
